ALLARD SAYS TERRORIST ATTACK AN ACT OF WAR

Washington, D.C. – U.S. Senator Wayne Allard (R-CO), a member of the Senate Armed Services Committee, today called the terrorist attack on New York's World Trade Center and the Pentagon an "act of war" that will not go unpunished.

"Today, America lost it's innocence concerning our vulnerability to a terrorist attack," Allard said. "I regard this attack as an act of war against the United States and we must do everything possible to determine who is behind this cowardice act and to bring them justice."
